Amroo Junior College of Arts, Science & Commerce

Our Chairman - Mr. Rajan Soni

Mr. Soni completed his Honors Degree in Pharmacy from Birla Institute of Technology & Science (BITS), Pilani. After working briefly with Sandoz India Limited, he moved to Canada to pursue his Masters degree. He completed his MBA at Concordia University (now known as the John Molson School of Business) and was asked to join as a faculty member upon successful completion of his MBA. He taught Operations Research to Undergraduate and MBA students at Concordia University for 12 years and later on for 4 years to undergraduate and graduate students of McGill University, Montreal, Canada. He returned to India, with a dream to promote and share education of world class level within Indian parameters.

Message From The Chairman

Regardless of the source consulted, the Hotel and Tourism Industry is the world's largest industry, and rivals any other in terms of size and economic impact. International business and leisure travel have expanded into a multibillion dollar industry and continued growth will further increase the demand of educated & highly skilled professionals. Bearing this in mind, Amro was conceived.

Hotels all over the world need well trained people who possess good technical & managerial skills, people who are enthusiastic & personable with the ability to deal with guests & staff in a friendly & professional way. In addition, students acquire experience in a number of operational areas across a range of hospitality establishments, ensuring that on graduation they have both a respected qualification and work experience.

I invite you to consider the benefits of a professional Degree / Diploma / Certificate at Amro, which offers an integral educational experience blending classroom learning with business activities. If you would like a career in the exciting Hotel & Tourism Industry, then we can train you to be part of the Management team. We believe that there is no better place to start shaping your career than in the living laboratory called Amro.

I strongly believe that: "If YOU succeed, WE succeed, and if YOU fail, WE, as a team, fail. Our team definitely doesn't want to fail. Be a proud AMROITE by joining today."

Chairman Sir with Renowned Author Shiv Khera

Amro's MISSION

To produce tomorrow's hospitality management leaders, possessing intellectual curiosity, an enquiring mind, a sense of creativity, a solid sense of integrity, a vision for the future, and a passion for perfection; above all, a better human being who AIMS high.

ABOUT Amro

Amro is a group of institutes that was founded in the year 2000 with Amro Tourism Academy, further branching out with Amro College of Hotel Management (2002), Amro Institute of Management (2007), Amro Junior College of Hotel Management (2013), and most recently, Amro Junior College of Arts, Science & Commerce (2017).

It was established by Founder and Chairman Mr. Rajan Soni with the aim of making international level education accessible to Indian students. Mr. Soni believes that education should be about more than just following a curriculum, and therefore all courses under any Amro banner are regularly interspersed with personality development classes, events where students take charge, industry visits, as well as guest lectures from various experts. Team Amro strives to make each student understand their own potential and work towards becoming a better version of themselves.

'Tapping the Untapped Potential' is what Amro stands for.

Amro's ECO-FRIENDLY CAMPUS

The Eco-Friendly campus is situated on a picturesque location which is spread over 5 acres of land. On the front, the campus has about a kilometer stretch touching the Nashik-Mumbai Highway, while the other side hugged by the meandering Valdevi River.

During the rainy season, one can see a beautiful and natural waterfall within the premises. It is a real treat to visit, and Team Amro encourages all of the aspiring students to come and visit the grandeur of the campus.

The Amro campus is running on 100% Solar Energy. The building has been designed by renowned architect, the late Mr. Laurie Baker. The unique circular building is based on the load-bearing concept, having double insulated walls which reduce in-room heat. This results in a naturally cooler structure. The building has an open brick finish which adds to its beauty.

WHY CHOOSE Amro ? COMMITMENT TO THE STUDENTS

Amro's USP is its commitment to its students. Students are guided by experienced faculty members. Amro helps students identify their goals, and then gives them the foundation and confidence to achieve them. Team Amro believes in the value of practical or "Hands on" experience as the basis for all learning. The teaching pattern combines comprehensive academic study, practical work, and internships, to give students the right blend of theory, practical, and professional skills.

WHERE IS Amro LOCATED ?

Amro is located at "SURAJKUND" on the Mumbai Agra Highway (NH3), about 14 kms from the heart of Nashik City.

Access to the campus is directly from the highway itself.

Amro is easily accessible from Nashik City. Regular bus services by State Transport run with great frequency from Central Bus Station (CBS). Students can avail monthly bus pass facility with student discount rates from the ST Bus terminal at CBS. Plenty of shared taxis are also available, which frequently go from various points in Nashik to Ghoti, and Igatpuri

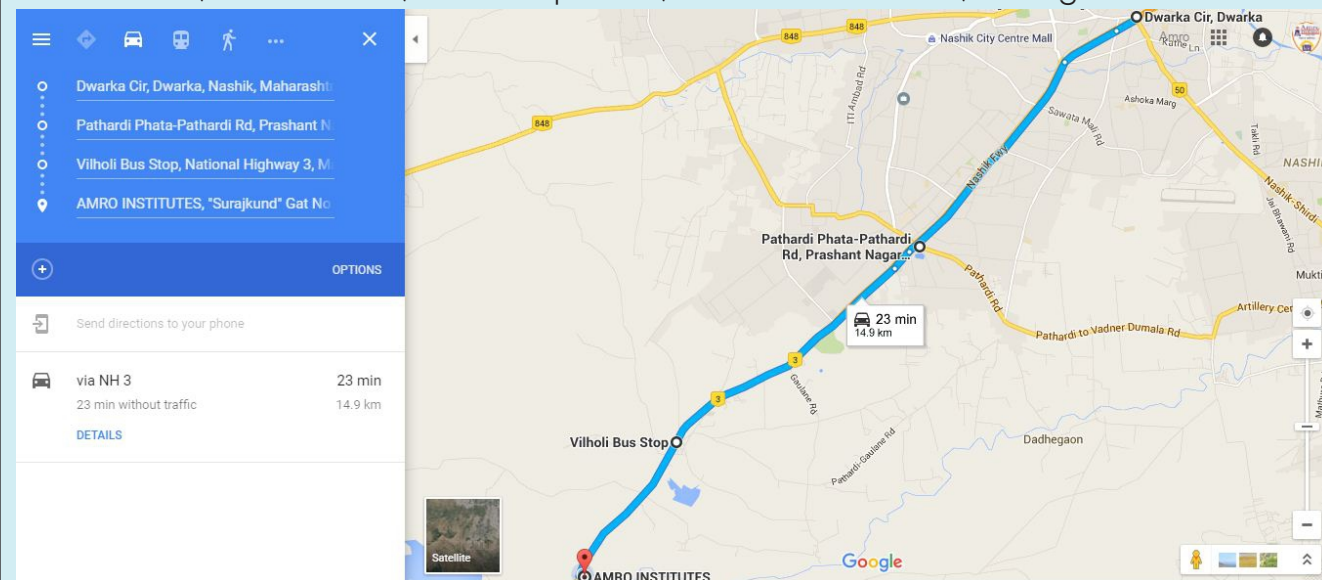

NASHIK - CITY OF PILGRIMAGE, INDUSTRIES & WINE

Nashik can be considered an ideal blend of the Eastern and Western Cultures .

On one hand, it is quintessential land of pilgrims, replete with the pious devotional chants and the offerings of the devotees at holy sites including Ramkund, Shirdi, Trimbakeshwar, Infant Jesus Shrine, etc.

On the other hand , we have a modern Nashik, with various industrial areas like Satpur, Ambad, and Sinnar, making it as one of the largest developed industrial areas of India, boasting companies like Mahindra & Mahindra, VIP, Neelkamal, MICO Bosch, Crompton Greaves, ABB, Glaxo SK, Thyssenkrupp, Mylan, etc.

Due to its marvelous weather, Nashik has also become the Wine Capital of India, with major wine makers having their establishments in and around Nashik, including Sula Wines, York Wines, Vinsura Wines, Good Drop Wines, and Chandon Wines, among others.

Amro PLEDGE

I am a proud AMROITE
and I shall always
strive to be worthy of it.

All AMROITES are my
friends.
I will work with others
as a team,
and I will strive to be
a solution,
and never a problem.

I will keep myself
well groomed.
It will always be
my pleasure to help
and serve all mankind
with a smile.
I shall enjoy
what I learn.

I will strive to
enhance my knowledge,
as learning never ends.

I shall give my Parents,
Teachers,
Elders,
and Colleagues respect,
and treat everyone
with courtesy.
And I will respect
the environment.

To my College,
Faculty,
Staff
and my fellow friends.
I pledge my Cooperation
and Courtesy
with all Honesty.

I will be a moral citizen
in and out of the Campus.
So as not to tarnish
the name of AMRO
and my family.

WE ARE ALL PROUD AMROITES.
ATHITI DEVO BHAVA.
JAI HIND
